IFEZUE DANIEL CHINAZAEKPERE
Computer Engineering Undergraduate | Engineering Intern Candidate
Phone: 08134215834
Email: danifez123@gmail.com

PROFESSIONAL PROFILE

A highly motivated computer Engineering undergraduate at Covenant University with an interest in computer systems, networking, cyber security, and emerging technologies. I’m seeking an internship opportunity to apply academic knowledge in a practical engineering environment while developing industry relevant technical skills. A quick learner with strong analytical, communication, and teamwork abilities, committed to delivering value and continuous professional growth.

EDUCATION

Covenant University, Ota, Ogun State, Nigeria
Bachelor of Engineering (B.Eng.) – Computer Engineering
Expected Graduation: September 2028
CGPA: 4.3/5.0

TECHNICAL SKILLS

- Computer Networking Fundamentals
- Cybersecurity Fundamentals
- AutoCAD Fundamentals
- Microsoft Office Suite (Word, Excel & PowerPoint)
- Technical Documentation
- Basic Network Configuration
- Computer Troubleshooting

PROFESSIONAL SKILLS

- Analytical Thinking
- Problem Solving
- Team Collaboration
- Strong Written & Verbal Communication
- Adaptability
- Leadership
- Organizational Skills

ENGINEERING EXPERIENCE

Student Work Experience Programme (SWEP)

- Successfully completed the Students Work Experience Programme (SWEP), gaining practical exposure to engineering work practices and professional workplace standards.
- Developed an understanding of engineering operations, teamwork, safety compliance, and technical problem-solving in a practical environment.
- Strengthened communication, professionalism, and adaptability through hands-on learning experiences.

CERTIFICATIONS

- Cisco Introduction to Cybersecurity
- Cisco Networking Academy Certificate
- Cisco CCNA Foundations Certificate
- AutoCAD Fundamentals
- Microsoft Office Specialist (Microsoft Word)
- Health, Safety and Environment (HSE Levels 1, 2 & 3)
- Project Management Certification

ACHIEVEMENTS
National Ocean Ambassadors Foundation Maritime Competition (2022)

- Emerged **2nd Place National Winner** in the National Ocean Ambassadors Foundation Maritime Competition, demonstrating outstanding analytical ability, innovation, and academic excellence among participants across Nigeria.

LEADERSHIP & INVOLVEMENT

- Active Computer Engineering undergraduate participating in collaborative engineering projects and laboratory practicals.
- Experienced in working effectively within teams to meet academic and project objectives.
- Strong ability to communicate technical ideas clearly and work in structured environments.

CAREER OBJECTIVE
To obtain an internship position with a reputable engineering organization where I can contribute technical knowledge, analytical thinking, and a strong work ethic while gaining valuable industry experience that prepares me for a successful career in Computer Engineering.

INTERESTS

- Computer Networks
- Cybersecurity
- Embedded Systems
- Artificial Intelligence
- Software Development
- Engineering Innovation
- Emerging Technologies
